Once again, welcome to the School of Health Technology and Management. At this time, you need to enroll in your fall 2009 courses. Please use the SOLAR system on-line via the web at www.stonybrook.edu/solarsystem to enroll in your classes. Students must complete a 2009/2010 FAFSA and be enrolled in **fall** classes before they can apply for financial aid through SOLAR.

If you have any questions regarding financial aid, contact HSC Office of Student Services (631) 444-2111, selection option 2, to speak to a financial aid representative.

We look forward to seeing you at orientation, **June 29, 2009**.
