Dear Friends,

The Long Island Board of Realtors, Suffolk North Shore Chapter is hosting the **School Dayz Fashion Show and Dinner** on Thursday, October 16, 2014 at the East Wind Caterer’s in Wading River. The event will raise awareness about childhood cancer in our community and benefit the **Sunrise Fund’s School Intervention and Re-entry Program** at Stony Brook Children’s Hospital.

The School Intervention and Re-entry Program, the only one of its kind on Long Island, helps children and young adults diagnosed with cancer make a smooth transition back into the classroom. By coordinating faculty meetings "to educate the educators" about the medical, psychosocial and educational needs of children diagnosed with cancer, the multidisciplinary team of physicians, nurse practitioners, educators and child life specialist collaborate to develop an educational plan that best meet the needs of the child.

This will be our first Fashion Show featuring our **Long Island Realtors** as models, joined on the runway with our featured "stars" *Stony Brooks Little Miracles*, children and young adult cancer survivors.

**We invite you to become a sponsor, donate merchandise and/or gift certificates for our raffle.** All sponsors will be acknowledged and sponsors will be listed in the journal distributed at the event. Your contribution is tax deductible to the extent of the law. The LIBOR Tax ID # 11-1020780

Your support will enable us to achieve our goals to help these children. Reserve early as this event will be a sellout. For additional information please contact **Rose Torraca at (516) 983-9016**. Please make checks payable to Suffolk North Shore Chapter LIBOR and in memo please note the "Sunrise Fund".

Sincerely,

Susan Hamblen, President  
Long Island Board of Realtors
